

## **CALLING ALL CREATIVES!**

### ***Design and install a lighting work at Cloud Gardens Park as part of Nuit Blanche 2018***

**CITYLights Toronto 2018** invites Toronto students and young professionals in the fields of lighting design, architecture and interior design to create a site-specific installation that will illuminate features, public art, and buildings in Graffiti Alley.

Participants will divide into two teams taking part in a hands-on workshop moving through the design process from concept to implementation. Equipment will feature state-of-the-art, sustainable lighting that adds drama to urban spaces. Installations will be temporary, lasting for one night (from dusk to dawn).

Teams will be led by David Rokeby, a well-established installation artist based in Toronto. He has been creating and exhibiting his artworks since 1982. For the first part of his career he focused on interactive pieces that directly engage the human body, or that involve artificial perception systems. In the last decade, his practice has expanded to include video, kinetic and static sculpture. His work has been performed/exhibited in shows across Canada, the United States, Europe and Asia.

**CITYLights Toronto 2018** is an independent Nuit Blanche project managed by CITYLights Toronto, a group of design industry leaders with expertise in promoting innovative sustainable urban lighting through education and public awareness.

**Cloud Gardens located btw Yonge & Bay Street right off of Temperance Street**

- The workshops will include two (2) studio evening sessions - one in August and one in September. An installation session will occur on September 28 and October 29.

**Participants that are interested are to email Mary Ellen and Sepideh for  
more details:**

**Mary Ellen Lynch ([mel@lynchcomisso.com](mailto:mel@lynchcomisso.com))**

**Sepideh Nabaee ([snabaee@artemide.net](mailto:snabaee@artemide.net))**

## REGISTRATION FORM

1) Participants Name:

---

2) University or Company Name:

---

3) Number of years in your field/industry, if applicable:

---

4) What would you like to get out of this workshop:

---

---

---

5) Food Allergies:

---

**NOTE: Please have this form completed and submitted by no later than  
Friday August 3<sup>rd</sup>.**
