

# IDRIS COLLECTION

## ISLAND PENDANT | PENDANTS | WALL SCONCE

Contemporary design meets innovative illumination with the Idris Collection. Featuring edge-lit, silk-screened acrylic panels with expertly crafted light-guiding technology, this collection delivers a soft, first touch of snow, ambient glow with striking clarity. Finished in vintage brass, it exudes warmth and refinement, making it a perfect centerpiece for modern spaces. Designed for those who value cutting-edge style and subtle elegance, Idris redefines lighting as both functional and artistic.
