DARK & BRIGHT STAR PENDANT SUSPENSION

DARK & BRIGHT STAR PENDANT SUSPENSION WITH CANOPY 10CM ANTH CIGAR

DESCRIPTION: <p>Like distant stars, these seemingly small lighted objects impress with both their design and craft. The light source is placed within a mouth-blown piece, shining from the center of a precisely cut crystal star. This BOMMA collection is characterized by combining seemingly incompatible contrasts – light and darkness in an exact vision of the creator as it combines the irregularity of traditional hand production, along with crystal luster and a smooth matte cut. These individual light fixtures may be combined as you wish, creating unique one-off clusters. Dark & Bright Star is impressive as a solitaire, but even stronger in constellations.</p><p><p>Bomma suspensions can be customized into unique cluster shapes using a variety of canopy and mounting options. They're also compatible with sloped ceilings up to a 25-degree pitch. Custom grommets available for slopes greater than 25 degrees. Connect with us for more information about custom clusters and slopped ceiling installations 1-888-908-8580.</p></p>

MANUFACTURER: Bomma

CODE: 1/45/95181/B/cigar/100/ANT/2,5/USA + 95181/7/ANT/100/150/UL/Triac110V/JC

DIFFUSER: Cigar ✓

MORE INFORMATION:

Canopy in matching metal finish for models that include a canopy. Additional cable length available at extra charge. Contact us for details. See the Accessories tab to see images of multi-light cluster compositions and to purchase Constellation canopies required to create them. Fixtures with 0-10v or 1-10v dimming protocols may not be compatible for residential or retrofit applications. Consult your electrician for more information. Please note that this item is hand-crafted, possibly resulting in variations in the final product that are not considered a defect.
