

## OUTDOOR Charging Station

SATISFY THE  
POWER HUNGRY

#LegrandImprovingLives

 **legrand**<sup>®</sup>

## Outdoors is the new indoors.

Students spreading out on the quad to study. Visitors enjoying a vibrant plaza. Colleagues collaborating for the next big meeting. People don't just pass through outdoor spaces — they use them. Legrand's Outdoor Charging Stations deliver convenient, accessible power.

### Power Up. Power Out.

Elevate walkways to true extensions of your campus or facility.

# Tap into a Brilliant New Power Source

Never hunt  
for power.

Meet people  
where they are  
with convenient  
access to power  
and charging.

Deliver amenities that leave lasting impressions.

**Here today, here tomorrow.**  
Safe permanent power without ad hoc temporary solutions.

**Designed to belong.**  
Sleek, thoughtful designs with color and height options. LED and small locator lighting features available.

**Built for every forecast.**  
NEMA 3R-rated for use in all weather conditions.

**ADA Compliant Design**  
Thoughtfully designed for accessibility, making it easy for everyone to enjoy shared outdoor spaces.

# Designed to Suit

With three models and lots of finish and accessory options to choose from, you will have no problem selecting the perfect charging station to suit your needs.
