HaloTube

Versatile Architectural Sign Light

Elevate Architectural Signage

Enhance visibility and architectural appeal with precise, adjustable illumination designed to highlight every sign.

Voltage: 120-347V

Efficacy: Up to 94 lm/w

Lumens: Up to 3,760 lm

Wattage: 16W | 20W | 30W | 40W

Selectable CCT: 27/30/35/40/5000K

120° Beam Angle

L70: 100,000 hrs

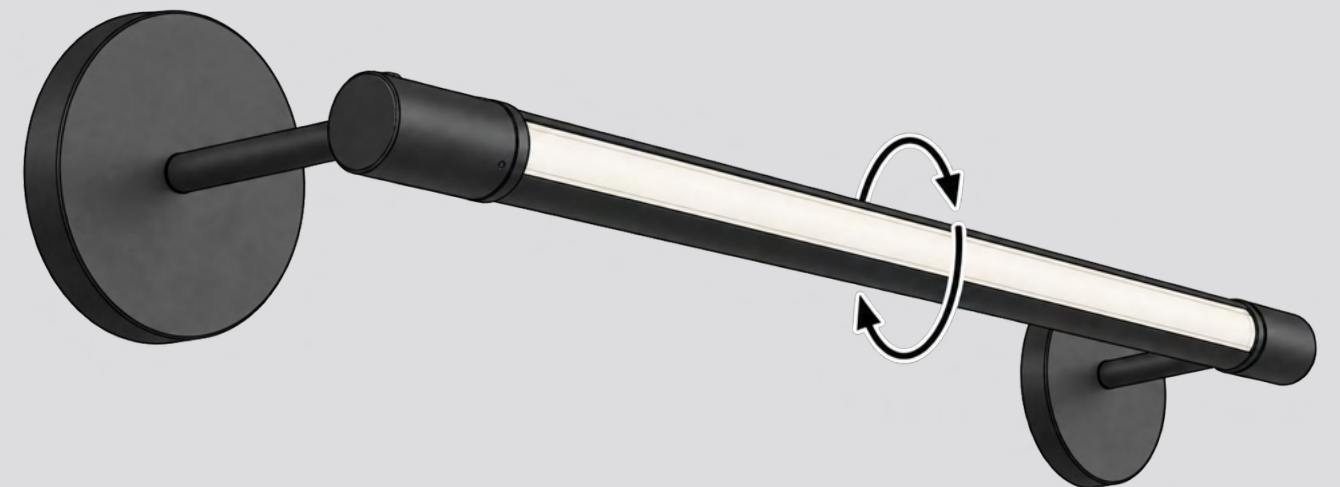

90 CRI

PRECISION, BY DESIGN

Light, precisely where you want it.

Rotatable tilts offer up to **300° of manual adjustment**, giving you precise control over where the light is directed. Easily aim the illumination upward or downward to highlight signage, displays, architectural details, or specific areas, adapting the light to your space and application.

300° Rotation

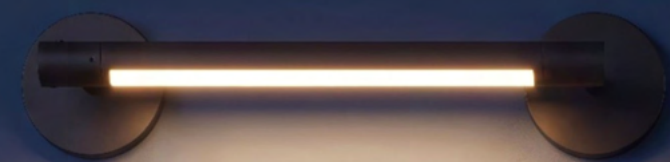

Set the tone. Reveal the detail.

Five selectable colour temperatures let you choose the character of the space, from warm 2700K to crisp 5000K. 4000K is the default.

Designed for Visual

Precisely directs light across the surface to enhance colour, depth, and detail without distracting from the space.

2FT

3FT

4FT

6FT

A fit for your vision

Available in white or black and in 2 ft, 3 ft, 4 ft, and 6 ft lengths, HaloTube™ offers the flexibility to suit any application.

Use each fixture individually or combine multiple lengths into a seamless continuous run, tailored to the scale, layout, and design of any space.

MODULAR INTERLINKING

Connect. Extend. Illuminate.

Connect individual HaloTube lights to make a longer run. Mix and match 2FT, 3FT, 4FT and 6FT fixtures using inline link kits to suit the width of your sign or display.

Endless Illumination. No Limitations.

Rain or Shine. Always Visible.

Weather-resistant construction delivers dependable illumination through rain and changing conditions—ideal for outdoor signage, transit spaces, and exposed architectural applications.

IP66

Fully sealed for wet locations, indoor washdowns and severe outdoor weather.

Made to endure

Heavy-duty extruded aluminum. 5-stage phosphate bonding and high-reflectance baked enamel.

Brilliantly Self-Contained

The driver is built into the fixture, so there's no separate unit to install. Just streamlined setup and a cleaner finish.

Up to 40W of Power

Available in 16W, 20W, 30W, and 40W, HaloTube™ scales its output across multiple lengths, delivering up to 3,760 lumens for powerful, uniform illumination.
